

Our Customers are Talking

Mom's Meals® is pleased to share the results of our **2022 Customer Satisfaction Survey***. An objective third party implemented our annual survey and here's what we learned our customers think about us. We utilize their feedback to ensure we're fulfilling our mission of improving life through better nutrition at home.

97%

 Overall client satisfaction

96%

Satisfaction with the **delivery service**

98%

Customer care satisfaction

79%

Say home-delivered meals is the **most important service** allowing them to stay in their home
